

Idea/Technology brainstorming Notes

January 23, 2018

<b>Knowledge:</b> <i>What was the focus of your education/career?</i>	-
<b>Capabilities:</b> <i>What are you most proficient at?</i>	-
<b>Connections:</b> <i>Who do you know with expertise in different industries? Do you know other entrepreneurs?</i>	-
<b>Financial Asset:</b> <i>Do you have access to significant financial capital, or will you be relying on personal saving to start?</i>	-
<b>Past Work/Life experience:</b> <i>In previous jobs you've held, or in previous experience in your life, what inefficiencies or "pain points" existed?</i>	-
<b>Passion for a particular market:</b> <i>Do you want to improve healthcare? Education? Energy? Transportation?</i>	-
